

Title Educational Psychologist	Department Children and Families Services	Post Ref.
Job Purpose To deliver educational psychology services to Nottinghamshire county schools and other community settings, maximising the life chances of children and young people, with a particular focus on vulnerable groups.		
Key Responsibilities <ol style="list-style-type: none"> 1. To provide an inclusive psychological service working at the individual, group and organisational levels to schools, settings, parents and other agencies concerning the needs of children, through our model of service delivery 'collaborative educational psychology'. 2. To develop and maintain effective collaborative working between the Educational Psychology Service (EPS) and other children's services, increasingly within the context of locality working. 3. To contribute to the implementation of the County Council's policy for meeting the needs of vulnerable groups, including those with special educational needs and disabilities (SEND). 4. To ensure their own effective contribution to the statutory assessment processes. 5. To contribute to the range of training and project work which the service provides to schools and other community settings. This involves development and delivery of training packages. 6. To engage fully with the service's processes which promote effective continuous professional development (CPD) and service delivery, including supervision, whole service CPD events and service project groups, to ensure high professional standards. 7. To take responsibility for their professional time to reflect the priorities of our service delivery, including maintaining accurate and thorough records of work carried out. 	Key Accountabilities <ol style="list-style-type: none"> 1. To be the first point of contact for a group of schools in the negotiation of EPS involvement. 2. To work flexibly and to be responsive to the schools and local communities' needs. 3. To complete tasks in an efficient, effective and timely manner. 4. To maintain the good reputation of the service and of the Council. 5. To work within the policies, procedures and guidelines of Nottinghamshire County Council and the regulations for Practitioner Psychologists of the HCPC. 6. To show an active commitment to learning, engaging with and promoting inclusion, equity and social justice. 	

8. The post-holder will be required to assume any other responsibilities which may be reasonably be regarded as within the nature of the post, subject to the provision that normally any significant changes of a permanent nature would be incorporated into this job description.	
The post holder will perform any duty or task that is appropriate for the role described	

Person Specification
