

Title Fair Access and Children Missing Education Practitioner	Department CFCS <i>Education Learning and Skills, Access and Partnership, Fair Access Team</i>	Post Ref.
Job Purpose <ul style="list-style-type: none"> To be responsible for recording and supporting fair Access admissions processes, children missing education, pupils missing education and elective home education by maintaining and analysing accurate data and information, following statutory processes as necessary. To ensure that the data prepared and provided to senior officers is accurate and current thus ensuring that the annual DfE School Adjudicator Report is underpinned by accurate school capacity information through the effective monitoring and analysis of vulnerable pupil admissions. To contribute to the analysis of the demand on 'In Year' school places across Nottinghamshire to ensure that NCC discharges its statutory responsibility to provide a sufficiency of school places. 		
Key Responsibilities <ol style="list-style-type: none"> To ensure that all data relating to fair access, children missing education, pupils missing education and elective home education are maintained and reported accurately to officers to ensure that statutory reporting is completed accurately and according to timelines, using expert knowledge of current regulations. To prepare information to be shared with locality fair access panels and school behaviour and attendance partnerships in order to secure school places and identify needs and safeguarding risks. To scrutinise and evaluate the information about vulnerable pupils to ensure that the information provided is accurate and up-to-date in order to inform effective decision making, some of which has significant financial implications. To contribute to the processes associated with statutory and non-statutory consultations relating to changes in school 	Key Accountabilities <ol style="list-style-type: none"> To maintain accurate data and information relating to fair access, children missing from education, pupils missing from education, and elective home education. To be accountable for the accuracy of work undertaken and information provided in relation to fair access, children missing from education, pupils missing from education, and elective home education. To maintain accurate specialist information in relation to fair access, children missing from education, pupils missing from education, and elective home education. To develop and maintain expert knowledge in relation to school admissions, fair access, children missing from education, pupils missing from education, and elective home education. To produce accurate data and information for Senior Officers, schools and alternative education providers to enable them to take informed strategic and operational decisions in relation to vulnerable pupils. 	

organisation and governance, including significant changes to size and capacity resulting from the provision of additional pupil places, ensuring that the County Council does not become subject to financial and legal challenge, or suffer significant delays in capital projects due to the due process not being followed.

5. To collate and analyse data, in relation to children missing education and pupils missing education to provide current and accurate information to the CME Board.
6. To supply the chronologies, COOS data and other information from Capita and Mosaic to ensure that officers access the most accurate collated information when writing reports, including statutory reports, answering enquiries and/or making decisions – applying specialist knowledge to identify potential risks and take the initiative to alert senior officers of those risks.
7. To liaise, monitor and follow up with schools their data returns in relation to children on part time or alternative education provision and to actively challenge schools when children do not appear to be in receipt of an appropriate education.
8. To actively maintain an in-depth, up-to-date expert working knowledge and expertise in the statutory regulations in relation to school capacities, school admissions, fair access, children missing education, pupils missing education and elective home education to ensure that team managers and the group manager are appropriately supported to plan effectively.
9. To liaise with schools and other NCC departments to ensure that vulnerable pupils are appropriately supported.
10. To work independently and as part of a small flexible team in liaison with other officers in handling enquiries, from parents of children in need of a school place, those at risk of becoming children missing education and those who are considering/ have opted to deliver elective home education.

The post holder will perform any duty or task that is appropriate for the role described
