Role Dimensions

1. The Accountant/Business Partner will provide dedicated financial management support to one or more of the County Council's business areas. This would be either a service department/division or a specific technical finance function. Accountants/Business Partners will report to a Senior Accountant/Senior Business Partner to ensure the accounting and finance requirements of their area of responsibility are fulfilled.
2. The post-holder will be responsible for the day to day supervision of the Assistant Accountants/Assistant Business Partners in their teams.
3. Accountants/Business Partners will be responsible for:
 - Providing financial management support to a Department/Division of the County Council, including undertaking budget monitoring, providing financial advice to service managers and budget holders and preparing reports/briefing notes etc.
 - Supporting the maintenance and development of financial monitoring/month end/quarterly reporting procedures
 - Supporting the production of the statutory year end accounts
 - Supporting the provision of specialist financial advice and training
4. Financial responsibility will encapsulate a Departmental/Divisional budget. An Accountant/Business Partner will therefore have responsibility for supporting a budget of between £10m - £100m.
