Dear Applicant

We are delighted that you are considering applying for the position of Headteacher at Rosehill Junior School. We hope that the information we have provided in this pack will give you a flavour of our fantastic school, allowing you to understand its strengths, vision and ambitions.

The vacancy has arisen following the retirement of our much respected and experienced Headteacher which will take place at the end of this academic year.

Rosehill Junior School is a two-form entry Junior School with 225 pupils; we are an inclusive school and welcome children and families from all backgrounds.

We are proud of our school and its purposeful learning environment, underpinned by a broad and balanced curriculum, which provides memorable learning experiences for our pupils. Children are provided with a range of enrichment experiences during the school day as well as through extra-curricular opportunities.

The staff are hardworking and committed to enabling the school to secure continuous improvement. Our pupils demonstrate good standards of behaviour, they are polite and courteous and enthusiastic in their learning.

Our Ofsted Inspection in May 2018 judged the school to be good and recognised our many strengths, but we are not complacent and the whole school community is ambitious to continually improve.

As Governors, therefore, we are looking for someone who can build on our successes and continue our journey to be the best we can. If you would enjoy such a challenge and would like to work with a very supportive team of governors, staff, parents and pupils I would encourage you to apply for the post of Headteacher at our school.

You are encouraged to visit the school to see us in action for yourself.

Yours sincerely
