September 2021

Dear Applicant,

Thank you very much for your interest in becoming a member of the teaching team at Beeston Fields Primary and Nursery School.

You will be joining our dedicated EYFS team and it will be essential that you join us with a passion for education, high expectations, an ability to form excellent relationships with staff and above all, you put children at the heart of everything you do.

Beeston Fields is a school which has been on a rapid journey of improvement. From being in the bottom 6% of schools nationally in 2016, to achieving an Ofsted grade of Good in May 2018. However, it was identified that we needed to further develop our EYFS provision and in this area of the report we were given a Requires Improvement judgement.

We have a very diverse catchment area, serving both Nottinghamshire County and Nottingham City. About 1 in 3 children have English as a second language and 2 out of 5 children are in receipt of pupil premium funding.

We are a very inclusive school and provide full time nurture for some children and employ a Family Support Worker who provides early interventions where needed and/or works along outside agencies to support the children and their families. We are looking for someone who will understand and thrive on the challenges our school offers and is keen to make a difference to the children and families we work with.

We are a proud member of the Flying High Partnership MAT. We converted in September 2015 as the 6<sup>th</sup> school of the MAT. There are now 23 members of the trust and we benefit hugely from the work we do together to share good practice. There is a real commitment to quality CPD to ensure that you are developed as a teacher and have opportunities to further develop your career if you so wish.

In your letter of application, please let your personality come through and make sure you let me know:

- What skills and experience you have which make you suitable for this post
- Why you would like to work at Beeston Fields Primary and Nursery school
