

Castle Donington College

Teacher of Science

MPR/UPR

Early Career Teachers are welcome to apply

Start date: Autumn Term 2023

Applicants Information

Teacher of Science

Dear Applicant,

Thank you for your interest in the post of Teacher of Science at Castle Donington College. I hope the enclosed pack will be of interest to you and I look forward to receiving your completed application. We welcome applications from experienced, recently qualified and Career Entry teachers.

Castle Donington College is a growing and successful 11-16 school. In September 2022 we had 650 students on role (Years 7 to 11). The College is situated on the North West edge of Leicestershire on the Leicestershire, Derbyshire, and Nottinghamshire border and within 30 minutes' drive of Nottingham, Derby, Leicester, Loughborough and Burton, being close to the M1 and A50.

In January 2019 we received an Ofsted rating of 'Good' and continue to strive for excellence in all things. We are very proud of our community and the students we serve and so are seeking to appoint an inspirational teacher with the highest personal, academic and professional standards to join us. We joined the East Midlands Education Trust in January 2022. EMET is a thriving trust of high performing schools and we hope being part of this will lead to even greater success. Our future is exciting and you can be part of this.

Science is a key subject within the Castle Donington Curriculum. The Science Department is currently housed in four specialist rooms with plans for expansion in 2023-24. Students study Science for three lessons a week at KS3 and experience a full extra-curricular programme of clubs and activities. Triple Science is offered to all students at KS4 and is a very popular GCSE alongside the AQA Combined Science-Trilogy course. Science is a well-regarded department in the school, delivering to students in KS3 and KS4 in broad ability groups. The Science Team is made up of subject specialists in all three disciplines, however we would particularly welcome candidates who could offer Chemistry or Physics. We have recently appointed a new and experienced Head of Science who is excited to be able to take the department forward. We are also fortunate to have a highly qualified full time Science Technician in the team.

The successful candidate would need to be able to operate within a close, dynamic and forward-thinking team. The Science Department are committed to developing challenging, engaging and exciting learning experiences for our students. The team has a passion for Science and the successful candidate must share this enthusiasm. You will demonstrate a clear understanding of AQA GCSE courses, whilst contributing to maintaining and developing the existing KS3 curriculum. You will be able to demonstrate impact in achieving further increases in attainment and progress for all students.

All teachers at Castle Donington College are also Tutors. The pastoral care and monitoring of progress of students is an essential part of the teacher's role. All our staff set high expectations. In all areas, they work closely to share best practice and drive school improvement. In a recent staff survey 100% of respondents said that Castle Donington College was a good place to work. We are committed to a happy, purposeful and secure environment that provides the opportunity for all to grow and develop. Our staff are highly valued, well regarded and fully supported. We can offer a coherent programme of induction and we have a strong commitment to professional development. Your development will be a key priority for us, regardless of your experience.

The job description and person specification will give you further details about what we require. We welcome and encourage prospective candidates to come and visit, to meet our staff and pupils and to experience first-hand the ethos and values of the College. If you believe you have the skills and qualities to

help us continue to be successful, then I look forward to receiving your application. Details of how to apply can be found overleaf.

Appointment of	Teacher of Science
Contract	Full time Permanent
Closing Date for Applications	17 th April 2023
Start Date	Autumn Term 2023

To apply:

- Download an application form from East Midlands Education Trust website www.emet.uk.com/vacancies

Castle Donington College

Job Description Teacher of Science

Job Title:	Teacher of Science	Reporting to:	Head of Department
Department:	Science	Contract Type	Full Time permanent

Safer Recruitment Statement

Castle Donington College is committed to safeguarding and promoting the welfare of pupils and young people and expects all staff and volunteers to share this commitment. This post is designated as a *Regulated Activity* and the post holder will be subject to number of checks being carried out including References and an Enhanced level check by the Disclosure & Barring Service regarding any previous criminal record.

Equality Statement

Castle Donington College is seeking to promote the employment of disabled people and will make any adjustments considered reasonable to the duties below under the terms of the Disability Discrimination Act 1995 and the Equality Act 2010 to accommodate a suitable disabled candidate.

Responsibilities of all teachers:

- To have an understanding of and always act within, the statutory frameworks which set out your professional duties and responsibilities.
- Treat all pupils with dignity, building relationships rooted in mutual respect and at all times observing proper boundaries as appropriate to their professional role within the College.
- Having a regard for the need to safeguard pupils' well-being in accordance with statutory provisions. To ensure all pupils are safe at all times.
- Show a tolerance of and respect for the rights and beliefs of others.
- Not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.
- Ensuring that personal beliefs are not expressed in ways that exploit pupils' vulnerability or might lead them to break the law.
- To have proper and professional regard for the ethos, policies and practices of the College and maintain high standards in your own attendance and punctuality.

Role of all teachers:

To make the education of pupils your first concern. To be accountable for achieving the highest possible standards in work and conduct. Teachers at the College act with honesty, integrity and work in the best interests of the pupils at all times.

All teachers will:

- Encourage good progress and outcomes
- Demonstrate good subject and curriculum knowledge
- Plan and teach well-structured lessons
- Adapt teaching to respond to the strengths and needs of all pupils
- Make accurate and effective use of assessment
- Manage behaviour effectively to ensure a safe and productive learning environment
- Fulfil wider professional responsibilities
- Keep themselves and others safe

Responsibilities of a Teachers at Castle Donington College Specific to the post

All teachers have a responsibility to inspire and engage pupils to demonstrate a passion for your subject, continuously improving classroom practice and achieving excellent outcomes for all pupils by:

- Ensuring teaching, behaviour and outcomes are good or better in your lessons
- Demonstrating excellent subject knowledge
- Adapting your teaching to respond to the strengths and needs of all pupils
- Participating fully in the College's quality assurance programme in order to raise standards
- By sharing best practice internally and externally to ensure the quality of teaching is good or better
- Ensuring all pupils engage and make progress by making effective use of the available data to plan and deliver engaging lessons
- Making effective use of resources for learning and using the latest technologies for learning to ensure best pupil outcomes and experience
- Ensuring that all pupils in your lessons achieve at least expected levels of progress and a high proportion exceed them
- Identifying, tracking, analysing and responding to data in relation to reporting on outcomes, to ensure that the highest outcomes possible are achieved
- Contributing to the creation of schemes of work that challenge, stretch and fire the imaginations of our pupils
- Challenging pupils by ensuring behaviour strategies are followed consistently in line with College procedures
- Ensuring that incidents of poor pupil behaviour are successfully dealt with to minimise disruption to learning
- Carry out appropriate duties and participate in meetings as defined by the relevant rota and calendar
- Personally and collectively support pupils in becoming confident individuals, successful learners and responsible citizens
- Respond speedily to parental concerns
- Act as role models by demonstrating a professional level of dress, appearance and behaviour.
- Treat all colleagues with respect
- Engage actively in the Performance Management process
- Be expected to comply with any reasonable request from a manager to undertake work at a similar level that is not specified in this job description
- Be a form tutor

This job description sets out the duties and responsibilities of the job at the time when it was drawn up. Such duties and responsibilities may vary from time to time without changing the general character of the duties or the level of responsibility entailed. Such variations are a common occurrence and cannot in themselves justify a reconsideration of the grading of the job. This job description is current at the date shown, but following consultation with you, may be changed by the Principal to reflect or anticipate changes in the job which are commensurate with the salary and job title.
