This truly is a unique opportunity to be part of our journey to excellence. Our small but vibrant church school is seeking an experienced EYFS/KS1 teacher to join the leadership team, work alongside the new Head Teacher and be a key player in developing our provision.

The school is moving from its existing premises in the heart of Newark to a brand new, state of the art building, to include a 52 place nursery, based in the new Middlebeck housing development from September 2021.

This is an opportunity to share your passion and expertise for early education and help shape our practice - you really will make a difference and develop yourself and others.

We can offer you a supportive and creative staff team, children eager to learn and opportunities for personal development through our partnerships with the Equate and Minster TSAs.

The school is committed to a nurturing and aspirational approach to education which is supported by dedicated governors and welcoming parents.

Visits are normally warmly welcomed, however, at this time please contact the Executive Head for more information at [head@agps.org.uk](mailto:head@agps.org.uk) and visit our Facebook page and website for a flavour of our school.
